HAPPY BIRTHDAY TO US!

EARLY BIRDS BIRTHDAY- 9th July 2008

Early Birds celebrated its birthday on the 9th of July. The children were entertained with the moon walker, rockers, slide, and movies. We had a special treat of cake and wafers. The children went home with colourful balls and lollipops! 

OUTINGS AND EVENTS FOR THIS QUARTER

Outing to Oxford Bookstore – Friday 1st August

Early Birds bookworms gathered at the Oxford book store. They enthusiastically browsed through all the colourful books, magazines etc. The children settled down for free-hand drawing followed by a puppet show 'Red Riding Hood' which was put up by the teachers. The morning ended with confident children coming up and singing nursery rhymes on the mike.

Independence Day Celebration – Thursday 14th August

The Patriotic spirit was flying high in school. The children looked like the future leaders of our country aptly dressed in Indian attire.

We had a talk with pictures of our National Leaders and spoke about the significance of Independence Day. A big Thank You to our dance teacher 'Kripa aunty' who ended the day on a happy note as the children performed to various Indian dances.

Celebrating Gokul Ashtami – Friday 22nd August

On August 22nd, the children of Early Birds celebrated Gokul Ashtami, by breaking a colourful matka, decorated with flowers and filled with sweets. The excitement built when the children formed a human pyramid and broke the matka with a stick, sending a shower of sweets down.

Animal Day in School – Thursday 4th September

The children dressed up as their favourite animal in colourful and creative costumes. Early Birds was transformed into a Safari Park with giraffes, bears, cheetahs, zebras, tigers, lions, rabbits, dogs, leopards, horses, owls, parrots, lambs, sheep, cows. The children played in the animal pen and came up confidently on stage to perform under the spot light. The session ended with a sing along! Three cheers for our enthusiastic and encouraging parents who were a wonderful audience!

Outing to Prince of Wales Museum – Friday 12th September

At the National History Section of the Museum we saw various birds like Flamingos, Peacocks, Hornbills etc. The wild animals section had the rare White Tigress, different Bears, Leopard, and Bison. The marine life section was quite interesting with the different types of fishes like sawfish, whale shark, turtles etc. The reptile section too was enchanting where we saw the breeding habits of the lizards and feeding habit of snakes and how they catch their preys.

Outing to the Aquarium – Friday 19th September

It was a delight to see many bright faced cheery children, with their enthusiastic parents as they marched their way to the Aquarium, excited at the prospect of seeing the different marine creatures they learnt so much about in school.

The children shouted in glee as they saw the Butterfly-Ray, Silver Shark, the very attractive Sea Turtles, colourful Lionfish, Lobster, Crabs, kissing Gourami and many more....

The Big Piranhas were eye-catching. It was a pleasure to see shells, corals, seahorses and octopus which lots of our children could identify since we had a great sea creature week in school.

Outing to Crawford Market - Friday 26th September

The children & parents of Early Birds trooped into Crawford Market on a bright and sunny morning, to experience a visual delight of a variety of fruits, vegetables and flowers.

It was a wonderful recap of these concepts which were being taught in school.

A big Thank You to all the mothers who came into school and made fruits and vegetable salad, and juice with the children and made it a 'fun & learn' experience.

Looking forward to another exciting semester of fun and learning!
